

THE GEORGE WASHINGTON UNIVERSITY
Washington, D.C.

MINUTES OF A REGULAR MEETING
OF THE FACULTY SENATE HELD ON
OCTOBER 12, 1990, IN LISNER HALL
ROOM 603

The meeting was called to order by Vice President French at 2:15 p.m.

Present: Vice President French, Parliamentarian Steinhardt, Berman, Burdetsky, Divita, East, Garris, Giordano, Griffith, Gross, Gupta, Harrington, Holmes, Infeld, Kahn, Kenny, Kirsch, Parke, Robinson, Rycroft, Schiff, Spanogle, Tolchin, Vontress, and Yezer

Absent: President Trachtenberg, Registrar Gaglione, Friedenthal, Holmes, Keimowitz, Moore, Park, Parrish, Robbins, Trangsrud, Walker, and Ziolkowski

The following new members of the Faculty Senate were introduced by Vice President French: Professor Joseph M. Giordano (Medical Center), Professor Murli Gupta (Columbian College), and Professor Robert J. Harrington (SEAS).

APPROVAL OF MINUTES

The Chair called for approval of the minutes of the regular meeting of September 14, 1990, as distributed. Professor Griffith requested that the last sentence in his statement, appearing on Page 5, concerning the settlement of a dispute between Professor Kyriakopolous and the University, be amended to include additional language after the last word "promoted." The amended sentence would read as follows: "The terms of the settlement remain confidential, except that Dr. Kyriakopolous has been promoted effective retroactively to the beginning of the 1980 academic year." No other amendments were made, and the minutes, as amended, were approved.

RESOLUTIONS

RESOLUTION 90/6, "A RESOLUTION TO ESTABLISH A SPECIAL COMMITTEE TO STUDY THE STRUCTURE AND FUNCTIONING OF THE FACULTY SENATE"

On behalf of the Executive Committee, Professor Griffith, Chair, moved the adoption of Resolution 90/6, and the motion was seconded. This resolution, Professor Griffith said, was the result of frequent discussions by the Executive Committee over the past summer about whether improvements in the functioning and structure of the Faculty Senate could be made. The Committee identified certain areas which it thought merited study by a Special Committee, particularly with regard to communication between the Senate and the faculty, as well as the administration and the Board of Trustees. He then reviewed the specific charges to the Special Committee. A discussion followed by Professor Berman and Professor Griffith. The question was called, and Resolution 90/6 was adopted unanimously. (Resolution 90/6 is attached.)

INTRODUCTION OF RESOLUTIONS

No resolutions were introduced.

GENERAL BUSINESS

I. NOMINATION FOR ELECTION OF SPECIAL COMMITTEE ESTABLISHED BY RESOLUTION 90/6

Professor Griffith, on behalf of the Executive Committee, moved the nominations of the following faculty members for election to the Special Committee established by Resolution 90/6: Mary M. Cheh, Professor of Law, Convener; Victor M. Cohn, Jr., Professor of Pharmacology; Rodney W. Eldridge, Professor of International Finance; Jarol B. Manheim, Professor of Political Communication and of Political Science; and Walter K. Kahn, Professor of Engineering and Applied Science. The nominations were approved.

II. NOMINATION FOR ELECTION OF CHAIR OF THE LIBRARIES COMMITTEE

Professor Griffith, on behalf of the Executive Committee, moved the nomination of Professor Robert J. Harrington as Chair of the Libraries Committee as a replacement for Professor Burks, who resigned from the Senate. The nomination was approved.

III. NOMINATION FOR ELECTION TO SENATE COMMITTEES

Professor Griffith, on behalf of the Executive Committee, moved the following nominations: Ms. Deborah C. Masters, Professor Ruth M. Krulfeld, and Professor Christopher W. Sten to the Research Committee; Professor Cheryl Block to the Appointment, Salary and Promotion Policies Committee; Mr. Stuart Ruderfer and Mr. Michael Smart, students, to the Educational and Admissions Policy Committee; Mr. William B. Keller (replacement for Ms. Deborah C. Masters) to the Honors and Academic Convocations Committee; Assistant Professor John F. Keiser, Jr., to University and Urban Affairs Committee; and Associate Professor Terrence Phillips (replacement for Professor S. David Rockoff) to the Special Committee on Northern Virginia Campus. The nominations were approved.

IV. REPORT OF THE EXECUTIVE COMMITTEE

On behalf of the Executive Committee, Professor Griffith reported on the following items:

(1) A proposed resolution to amend the University Policy on Equal Opportunity to add the words "sexual orientation" has been referred to the Joint Committee of Faculty and Students for recommendations by early next year.

(2) A request has been sent to the Committee on Appointment, Salary and Promotion Policies to review the existing practices and procedures with respect to academic appointments. Of particular concern is the apparent absence of clear procedures with regard to non-traditional appointments, e.g., joint appointments, appointments to endowed chairs, appointments which carry with them a nomination to be incoming chair of the department, and appointments of faculty members to be assistant or associate deans.

(3) The Committees on Educational and Admissions Policy and Student Financial Aid have been asked to respond to Vice President Chernak's offer to meet with interested faculty to review existing recruiting and financial aid planning prior to the adoption of a new strategic plan for next year.

(4) As a follow-up to the report on affirmative action recruiting by Assistant Vice President Wooldridge at the last Senate meeting, the Executive Committee proposes to introduce at the November 9th Senate meeting a resolution to establish a Special Committee to undertake a study of GWU's faculty position on affirmative action.

(5) In response to Vice President French's invitation to the Chair of the Executive Committee to appoint a Senate member to serve on the Annual Selection Committee of the Oscar and Shoshana Trachtenberg Prize for Teaching, the Chair has appointed Professor John E. Ziolkowski, Faculty Senate member, who has agreed to serve on this Committee.

(6) The Chairs of the Senate Committees may be requested by the Senate or their respective liaison members to prepare interim reports for the November 9th Senate meeting.

(7) The next meeting of the Executive Committee will be held October 26th to set the agenda for the November 9th Senate meeting.

In concluding his report, Professor Griffith noted that some members of the Senate sit as faculty representatives on Committees of the Board of Trustees. He said that it seemed to him that there was a considerably more active approach to following what was going on at the University by the Board of Trustees since they seemed to be keenly aware of the challenges the University faces in the next five to ten years. The Board appeared to be following the activities of the faculty and the Senate with some interest to see how we will respond to these challenges. Professor Griffith said that he thought it was clearly a time for the faculty to pay careful attention to its business to be certain that it was not just doing things as usual, but trying to develop and move in the right directions.

BRIEF STATEMENTS

Professor Robinson said that she was pleased to announce that Professor Susan Tolchin was recently elected a Fellow of the National Academy of Public Administration, which organization has 400 members. Congratulations were expressed by the Senate.

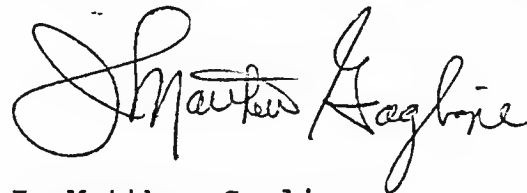

Professor Divita noted his dismay upon learning last week that his supplemental insurance policy had been allowed to lapse in April. He said that in March he was misinformed by University representatives that he needed to do nothing in order to keep his policy in effect, while in fact, non-action caused his policy to lapse. He said that there were 600 employees similarly affected with an exposure of \$30,000,000, and that this group of people will now find the cost of re-insuring with the same coverage to be substantially higher than they would have paid had the University correctly instructed them to re-enroll in the first place. Professor Divita said that he would hope that the administration would look into this matter and provide these 600 people the opportunity to re-enroll under the same conditions that prevailed last March when they were misinformed. He also noted that a

similar situation occurred with regard to his health plan, when he discovered during the summer that he and his family were not covered. This problem, he said, has been remedied although he was required to re-enroll for the same coverage he previously had.

Vice President French said that he would check into this matter himself.

ADJOURNMENT

Upon motion made and seconded, Vice President French adjourned the meeting at 2:44 p.m.
